PROFESSIONAL APPOINTMENTS

2018-Present	Assistant Professor Department of Plant Science and Landscape Architecture, University of Connecticut, Storrs, CT.
2019-Present	Faculty Affiliate & Resident Faculty UConn Sustainable Global Cities Initiative, Hartford, CT.
2021-Present	Advisory Faculty UConn Center for Land Use Education and Research (CLEAR) & CT NEMO (Nonpoint Education for Municipal Officials) Stormwater Corps Program
2020-2021	Affiliated Faculty UConn NatureRx Initiative
2014-2018	Assistant Professor Department of Landscape Architecture, Texas Tech University, Lubbock, TX.
2013-2014	Instructor Department of Landscape Architecture, Yeungnam University, Korea.
2014	Research Director Eco-Research Institute, NEXUS Environmental Design, Korea.
2005-2008	Graduate Teaching Associate Arizona State University, Tempe, AZ.
2006	Graduate Research Associate Arizona State University, Tempe, AZ.
2001-2005	Research Fellow Korea Environment Institute, Seoul, Korea.
2000-2001	Research Fellow Korea Research Institute for Human Settlement, Anyang, Korea.

EDUCATION

Ph.D.	Environmental Design and Planning Arizona State University, Tempe, AZ, 2011. Dissertation: Ecological Connectivity Assessment and Urban Dimensions: A Case of Phoenix Metropolitan Landscape
M.L.A.	Landscape Architecture Seoul National University, Korea, 2000. Thesis: Application of Nature Environment Audit focused on Natural Resources: A Case Study on the Demilitarized Zone (DMZ), Korea
B.S.	Biology Sookmyung Women's University, Korea, 1997.

CERTIFICATES/MICRO-CREDENTIALS

2018	Sustainable SITES Accredited Professional, Green Business Certification Inc. SITES-AP-0000001945
2020	ESRI Spatial Data Science
2017	Designing Early Childhood Outdoor Environments, North Carolina State University

RECOGNITION

2020-Present	Chair , USDA NIFA NE 1962 National Multi-State Research Group
2019-Present	Chair , American Society of Landscape Architects (ASLA) Ecology and Restoration Professional Practice Network (PPN)
2015-Present	Chair , CELA Sustainability Track, Resilience 100+1 Theme Track, and Resilience and Climate Action Track
2020-Present	Vice President , Global Landscape Architecture Network

AWARDS, HONORS, AND FELLOWSHIPS

2022	Excellence in Service Learning Award The Council of Educators in Landscape Architecture (CELA) 2022 Faculty Awards
2021	Emerging Faculty Award UConn Provost's Awards for Excellence in Community Engaged Scholarship Northeast Region Award – <i>Nomination in review</i> Experiment Station Section Award for Excellence in Multistate Research Second Place EPA Campus RainWorks Challenge Design Competition. Ecolog-L.I. Sound: UConn Avery Point Master Plan. Lead Advisor for interdisciplinary student team
2021	First Place Prouty Delta Development Initiative Design Challenge. Holistic Haven. Advisor for Alex Heckman Second Place Prouty Delta Development Initiative Design Challenge. Village Hidden in the Leaves, Advisor for Ryan Gussen
2020	Merit Award The Connecticut Chapter of ASLA Student Design Competition: Site Design Category. "Seeds for the Future". Advisor for Ely-Anna Becerril. Honor Award The Connecticut Chapter of ASLA Student Design Competition: Site Design Category. "UConn HEEP Pollinator Garden". Advisor for Collin Sitz. First Place UConn Sustainable Global Cities Initiative Essay Prize. Advisor for Jeanna Erickson. Merit Award The Connecticut Chapter of ASLA Student Design Competition: Site Design Category. "Considine Estate-Sunset House". Advisor for Moisés Hernández-Rivera.

- 2019 **Merit Award**
The Connecticut Chapter of ASLA Student Design Competition: Planning and Analysis Category. “Coastal Resiliency”. Advisor for Anthony Madore.
Second Place
LABash Design Competition. Advisor for Moisés Hernández-Rivera.
NASA-MSU Professional Enhancement Award
North American Regional Association of the International Association for Landscape Ecology.
Finalist
Dream Green Hartford Eco-Design Challenge. Advisor for Chris Wojick, Nick Kavadas, Miguel Fraga, and Pan Zhang.
Merit Award
Texas Chapter of ASLA Student Design Competition: General Design Category. “Sustainable Regional Growth”. Advisor for Blane Potts & Derek Gay
- 2018 **Merit Award**
Texas Chapter of ASLA Student Design Competition: Analysis and Planning Category, “Hopeful Housing”. Advisor for Hank Oliver, Natalie Campbell and Alex Sherwood.
First Place
The ASCE Texas-Mexico Student Symposium Research Poster Competition. “Using Green Infrastructure and Storm Water Design to Reduce Flooding on Campus”. April 8, 2018. Advisor for McKenzie Aubuchon, Olivia Ross, Thanh Tran, Leah Kimbrell, & Afsana Sharmin
First Place
Texas Tech 15th Annual Graduate School Poster Competition: Humans and Environment Section. March 25, 2017. Advisor for Michael Ross.
- 2017 **Obesity Research Cluster Fellow**
College of Human Sciences, Texas Tech University.
Institute for Inclusive Excellence Fellow
Texas Tech University.
Nature and Life Research Society Fellow, Korea.
- 2011 **Doctoral Dissertation Completion Fellowship**, ASU Graduate College.
- 2009 **International Association of Landscape Ecology World Congress Student Award**
Association of Collegiate Schools of Planning Scholarship
GPSA Research Grant Award
Arizona State University
